

Importing into the United States: U.S Customs Laws and Requirements

We train U.S importers and exporters from around the world on how to import into the United States. This one day seminar helps attendees understand major customs laws and day to day procedural matters that arise when importing into the U.S.

TOPICS INCLUDE:

Import Process and Documentation

Key Customs Regulation

Classification and Appraisalment

Country of origin/ marking labeling

Recordkeeping and audits and more...

U.S. Export Controls

This two day seminar is designed to give a comprehensive overview of U.S. export laws and regulations to U.S. companies and companies abroad that re-export U.S. products. Primary focus will be on the Export Administration Regulations (EAR), International Traffic and Arms (ITAR) and Foreign Assets Controls.

SEMINAR INCLUDES

Key Overview of Export Regulations

Classifying articles for export and re-export

Licensing Requirements/Application for license

Sanctions and embargos

Effective compliance program and more
